The Friends of the Thunder Bay Public Library is a non-profit association of public-service minded volunteers, dedicated to promoting and supporting public library service in Thunder Bay.

Some of the Things We Do

- promote knowledge of and interest in the functions, services and needs of the Library
- foster public support for the Library and its development
- help raise funds to purchase equipment and materials not available through the regular Library budget
- provide volunteer assistance at special program and community events
- operate used bookstore at Victoriaville Centre
- deliver materials to house bound Library patrons
